Statement of CEO

The pharmaceutical supply business is one of the most dynamic and in-demand sectors globally, particularly in Bangladesh. Over 11 years of experience at Square Pharmaceuticals Ltd. in the Supply Chain Management department and also with Accounts Section. I gained extensive knowledge and expertise in sourcing raw materials and understanding a wide range of chemicals essential for pharmaceutical production. In 2014, I embarked on my own entrepreneurial journey by founding this enterprise to establish a trusted name in the supply industry. By the grace of God and through hard work and perseverance, we have continued to grow and strive for excellence.

Throughout this journey, I have been fortunate to receive the support of esteemed pharmaceutical companies, including Square Pharmaceuticals Ltd., which played a significant role in helping us expand and move forward. I am deeply grateful to all our partners, clients, and well-wishers who have stood by us and contributed to our progress. We remain committed to building long-term relationships based on trust, quality, and service.

Vice President, BBCS

I have Elected as a Vice President of BBCS and performing role beside my business from November 2023. I am very thankful to God.
